## **OSI Food Solutions UK named as recipient of 2011 BSC Sword of Honour Award**

***Company achieves a five-star rating for health and safety***

**North Lincolnshire, UK, November 25, 2011** – The British Safety Council (BSC) has once again named OSI Food Solutions UK as a 2011 recipient of The Sword of Honour.

OSI Food Solutions UK was presented with its second Sword of Honour at a ceremony at the historic Goldsmiths' Hall, London, with a keynote speech by John Armitt CBE, chairman of the Olympic Delivery Authority. OSI was one of only 54 worldwide organizations to receive this award.

For the last 32 years, the Sword of Honour has been awarded to organizations that have proven themselves to be at the forefront of health and safety management. To compete for the Sword of Honour, organizations have to be able to demonstrate that a specific site has achieved the maximum rating in the British Safety Council's five-star health and safety management system audit. They also have to demonstrate to an independent adjudication panel a culture of best practices for health and safety throughout the business. The Sword of Honour is widely recognized as the pinnacle of international safety awards.

Gary Drane, General Manager at OSI Food Solutions UK said "The swords of honour represent years of hard work within OSI Food Solutions UK in developing a healthy safety culture which is a priority across our business. I'm delighted for everyone within our plant to see our best practices recognized."

Phil Marsden, Managing Director of OSI Food Solutions Europe, accepts the prestigious 'Sword Of Honour'
