OSI Plants in Illinois Save 1.4 Million kWh

Company rewarded with rebate for participating in ComEd's Smart Ideas program

Aurora, IL, USA, September 15, 2016 – In August 2016, Susan Anicich from ComEd presented OSI's Chuck Norberg with two incentive checks totaling \$218,653 for participating in the utility's Smart Ideas program. The OSI plants in Chicago and West Chicago, Illinois, USA – with help from OSI's energy efficiency partner, Cascade Energy – were able to successfully implement energy reduction projects resulting in a savings of 1,413,048 kWh at the two plants in the past year.

L-R: ComEd representative Susan Anicich presents the incentive checks to Chuck Norberg, regional engineer for OSI's Illinois plant facilities, as Rob Travis of Cascade Energy looks on.
